# IBFD Books

IBFD Books are key reference works for tax professionals and students across the globe.

See [www.ibfd.org/Shop/Book](http://www.ibfd.org/Shop/Book) for availability and prices.

Covering a wide variety of topics, IBFD Books comprise general titles and book series. In addition to traditional print format, most of our titles are also available as downloadable eBooks

(PDF and ePub format), which can be ordered directly via the IBFD webshop, and as online books, which can be accessed by up to five users via the IBFD Tax Research Platform.

## Best-Sellers

### A Guide to the European VAT Directives

This annually updated two-volume set provides a comprehensive overview of the most essential parts of VAT

Directives in Europe.

### Taxation, Data and Destination

This book analyses two destination-based corporate tax models, their application to different types of digitalized business models and their compliance with tax and data protection law frameworks.

### Taxation of Interest under Domestic Law, Eu Law and Tax Treaties

Comprising the proceedings and working documents of the annual seminar held in Milan in November 2021, this book contains a detailed and comprehensive study on the tax treatment of cross-border interest payments.

### UAE International Tax

Covering both domestic and international laws, this book provides an in-depth analysis of the taxation of international cross-border investments involving the United Arab Emirates.

### EU VAT Compass

Encompassing the most important features of the European Union's VAT system, this book is an essential reference for all those actively working or interested in VAT.

### Taxation and Cultural Heritage

A comparative and interdisciplinary study on how tax law and budgetary policies – both international and domestic – have an impact on the protection and

promotion of cultural heritage.

### Global Minimum Taxation?: An Analysis of the Global Anti-Base Erosion Initiative

This book addresses the debate surrounding convergence towards global minimum taxation heralded by the proposed GloBE framework and connected rules in light of the Pillar Two Blueprint Report.

### History and Taxation: The Dialectical Relationship between Taxation and the Political Balance of Power

In this book, the historical relationship between taxation and the political balance of power is investigated.

### Transfer Pricing and Intra-Group Financing: The Entangled Worlds of Financial Markets and Transfer Pricing (2nd revised edition)

The second revised edition of this book, published in 2022, comprehensively addresses the topic of intra-group financing and transfer pricing.

### Selectivity and the Arm's Length Principle in EU State Aid Law

This book investigates the relevance of the arm's length principle in and for the selectivity assessment, crucial in article 107(1) of the Treaty on the Functioning of the European Union.
