IBFD – IFA LATAM Webinars, Novedades en Materia de Tributación Internacional y su Impacto en América Latina

IBFD – IFA LATAM Webinars, News on International Taxation and Its Impact in Latin America

1, 8, 15 and 22 September 2023, 16:30 CEST

This is the fourth edition of the joint initiative between IBFD and IFA LATAM aiming at discussing trending topics in international taxation, particularly those with an impact on Latin America. This is done in the framework of the longstanding cooperation between IBFD and IFA LATAM, and the entire seminar will be conducted in the Spanish language.

In association with: The webinars are addressed to corporate officers, lawyers, tax advisors, members of tax authorities and of ministries of finance, judges and members of academia. The speakers were selected from amongst the best experts in their respective fields.

Attendants of the webinars are expected to get a clear picture on the latest developments in these areas, to develop an ability to anticipate risks for their clients and operations and to incorporate the knowledge gained in their own services. The webinars will also alert them to issues that they may face in the near future.

The first webinar will focus on the topic **“El rol de las Naciones Unidas en la reforma del sistema de fiscalidad internacional en tema de impuestos sobre la renta y el capital”**, and will feature the participation of Pasquale Pistone (IBFD) - moderator, Guillermo Teijeiro (Argentina), Tatiana Falcão (Brazil) and Luis Nouel (IBFD).

“Explorando los Pilares 1 y 2 desde una perspectiva Latinoamericana” will be the main topic of the second webinar, which will feature the participation of Alessandro Turina (IBFD) - moderator, Laura Sanint (Colombia), Carlos Coronel (Ecuador) and Diana Calderón (IBFD).

During the third webinar, the topic to be discussed will be **“Tendencias recientes en precios de transferencia”**, and this session will be attended by Sandra Vásquez (Bolivia) - moderator, Edgar Anaya (Mexico), Bruna Ferrari (Brazil) and José Galíndez (Panama).

To close this cycle of webinars, the topic **“Inteligencia Artificial, blockchain y metaverso: nuevas reglas tributarias necesarias?”** will be discussed, in a session with the participation of Eunice Arias (Dominican Republic) - moderator, Ignacio Geep (Chile), Gabriela Haru (Peru) and Ravi Chatlani (IBFD).

The registration fee is 30 USD per webinar.

Registration is free for IFA LATAM members and IBFD active subscribers.
